

ASSESSMENT CERTIFICATE

Annex I, No. 3.2 of Directive 2014/68/EU

This is to confirm that 3 representative samples of the equipments described below have been assessed and conform to the requirements of the **Pressure Equipment Directive 2014/68/EU Annex III Module A**

Certificate No.: Z-PRC-17-07- 5010415769-001
Name and Address of Manufacturer: ZHUHAI SANFAM FILTER CO., LTD.
 NO.18 Meida Road, PingSha Town, Jinwan District, Zhuhai City, China.
Inspection Specification: Directive 2014/68/EU for pressure equipment
Object Type: Spin-on Separator Intended Use: For air / oil separator in air compressor system
Serial No.: As below Year of manufacture: 2017

Serie/Type	SS136*300/SS913	SS136*330/SS928	SS136*360/SS950
Drawing-No.:	SS136*300-00	SS136*330-00	SS136*360-00
Max. / min. allow. pressure PS (bar):	20	20	20
Max. / min. allowable temp. TS (°C):	120 / -20	120 / -20	120 / -20
Volume V (liter):	3.4L	3.7L	4.1L
Fluid contained:	AIR mixed OIL MIST (Group 2 fluid as in PED, non-dangerous fluids)		
Test pressure PT (bar):	29	29	29
Pressure test medium:	OIL 40#		

Proof Test in accordance with Annex I No. 3.2.2 of the Directive 2014/68/EU on 28.06.2017- duration 60 seconds.

The examinations were conducted by TÜV SÜD Industrie Service GmbH. During and after the proof test no leaks or remaining deviations of shape have been detected. The Final Inspection and proof test were performed in compliance with the requirements of the directive. The performance of the inspections / tests and their results showed no deviations.

The manufacturer shall ensures and declares on his sole responsibility that described equipments meet all the Essential Safety Requirements of the Pressure Equipment Directive and bears the CE mark as illustrated:
